#### § 308.305

- (d) *Agency consideration of response.* After considering the response, the FDIC may:
- (1) Issue the order as proposed or in modified form;
- (2) Determine not to issue the order and so notify the bank; or
- (3) Seek additional information or clarification of the response from the bank, or any other relevant source.
- (e) Failure to file response. Failure by a bank to file with the FDIC, within the specified time period, a written response to a proposed order shall constitute a waiver of the opportunity to respond and shall constitute consent to the issuance of the order.
- (f) Request for modification or rescission of order. Any bank that is subject to an order under this subpart may, upon a change in circumstances, request in writing that the FDIC reconsider the terms of the order, and may propose that the order be rescinded or modified. Unless otherwise ordered by the FDIC, the order shall continue in place while such request is pending before the FDIC.

#### § 308.305 Enforcement of orders.

- (a) Judicial remedies. Whenever a bank fails to comply with an order issued under section 39, the FDIC may seek enforcement of the order in the appropriate United States district court pursuant to section 8(i)(1) of the FDI Act.
- (b) Failure to comply with order. Pursuant to section 8(i)(2)(A) of the FDI Act, the FDIC may assess a civil money penalty against any bank that violates or otherwise fails to comply with any final order issued under section 39 and against any institution-affiliated party who participates in such violation or noncompliance.
- (c) Other enforcement action. In addition to the actions described in paragraphs (a) and (b) of this section, the FDIC may seek enforcement of the provisions of section 39 or this part through any other judicial or administrative proceeding authorized by law.
